STATUS

The Audit Committee (the “*Committee*”) is a committee of the Board of Directors (the “*Board*”) of Accelaron Pharma Inc., a Delaware corporation (the “*Company*”).

PURPOSE

The Committee is appointed by the Board for the primary purposes of:

- Assisting the Board in fulfilling its oversight responsibilities as they relate to the Company’s accounting policies and internal controls, financial reporting practices and legal and regulatory compliance, including, among other things:
 - Monitoring the integrity of the Company’s financial statements, corporate accounting and financial reporting processes and financial information that will be provided to stockholders and others;

 - evaluating the independent auditors’ qualifications and independence; and
 - monitoring the performance of the Company’s internal audit function and the Company’s independent auditors as well as any other public accounting firm engaged to perform other audit, review or attest services;
- Maintaining, through regularly scheduled meetings, a line of communication between the Board and the Company’s financial management, internal auditors and independent auditors,
- Preparing the report to be included in the Company’s annual proxy statement, as required by the Securities and Exchange Commission’s (“*SEC*”) rules, and
- Annually evaluating the performance of the Committee.

While the Committee has the duties and responsibilities set forth in this charter (“*Charter*”), the role of the Committee is oversight. The Committee is not responsible for planning or conducting the audit or determining whether the Company’s financial statements are complete and accurate and in accordance with applicable accounting rules. Such activities are the responsibility of management and the Company’s independent auditors. The Committee and its members are not preparers, auditors, or certifiers of the Company’s financial statements or guarantors of the Company’s independent auditors’ reports. The Committee and each of its members shall be entitled to rely on (a) the integrity of those persons and organizations within and outside of the Company from which it receives information, (b) the accuracy of the financial and other information provided to the Committee by such persons or organizations absent actual knowledge to the contrary (which shall be promptly reported to the Board), and (c) representations made by management as to any audit and non-audit services provided by the independent auditors to the Company.

COMPOSITION AND QUALIFICATIONS

The Committee shall be appointed by the Board and shall be composed of three or more directors (as determined from time to time by the Board), each of whom shall, in the absence of an applicable exemption, meet the ‘independence’ requirements of the Sarbanes-Oxley Act of 2002 (the “*Act*”), NASDAQ Global Select Market (“*NASDAQ*”), and all other applicable laws and regulations. The Committee may avail itself of any phase-in compliance periods available to the Company that are afforded by applicable rules of NASDAQ or applicable law. Each member of the Committee shall be financially literate, as determined by the Board in their business judgment. At least one member of the Committee shall have accounting or related financial management expertise, and at least one member of the Committee shall have health care compliance expertise, in each case as determined by the Board in its business judgment. Members should attend internal and external trainings and complete other educational activities as necessary to effectively carry out their responsibilities under this Charter. The Board shall determine whether the Committee has an “audit committee financial expert” as defined by SEC Rules and whether such expert is “independent” from management as defined in the applicable SEC Rules. If the Board elects not to designate at least one Committee member as an audit committee financial expert, its reasoning shall be disclosed in the annual proxy or information statement or Form 10-K or as otherwise required by the NASDAQ rules.

A Committee member invited to sit on another public company’s audit committee must notify the Board. The Board must determine whether or not the Committee member’s service on another company’s audit committee impairs the director’s ability to serve on the Company’s Committee. Committee members should be on no more than three public company audit committees; however, the Board may waive this limit in accordance with the applicable rules of NASDAQ.
